Sponsored by

Institute of Information Management, National Taipei University

Department of Computer Science & Information Engineering, Tamkang University

The 2014 International Conference on Applied and Theoretical Information Systems Research (ATISR2014) will be held on June 18-20, 2014, in Taipei, Taiwan. This conference provides a forum for researchers and practitioners to exchange research results and share development experiences on information technology, system, and management research.

The upcoming ATISR2014 conference covers, but not limited to the following areas:

Information technology and Information Science

Artificial Intelligence, Neural Networks and Genetic Algorithms
Computer and Information Science
Communication Systems & Networks
Intelligent Agent Technology, Agent Based Systems
Internet Technology and Application
Mobile/Wireless Computing
Programming Languages, Compilers, & Operating Systems
Technology Education and Training
Technology and Innovation

Software Engineering

SaaS, PaaS, IaaS
Web Engineering & Applications
Software Engineering and Information Engineering
Cloud Computing
Web Service and Application
System Analysis, Design and Testing
Mobile Application Development
Software Performance

Internet Security

Intrusion Detection and Malware
Virus, Botnet and Spam Detection
Access Control
Cryptography
Information Hiding and Watermarking
Digital Right management
Privacy

Multimedia, Image, and Signal Processing

Information Hiding
Image, Acoustic, Speech and Signal Processing
Image Processing & Pattern Recognition
Visual and Multimedia Computing
Multimedia Communications
Multimedia Compression
Multimedia Databases
Multimedia Applications

Database and Data Mining

Data Mining & Knowledge Discovery
Database, Data Warehousing, Data Engineering

Information Systems and Application

Accounting Information Systems and Application
E-Learning
Emergency Response Information Systems
Enterprise Systems
Human-Computer Interaction
IS Implementation, Adoption and Diffusion
Information Science and Systems
IS/IT in Healthcare
Service Science

IS/IT Management

Global IT/IS Management
IS/IT Project Management
Management and Business Intelligence
Management Information System
Web and Internet Management
IT/IS in Organization
IT Governance
IT Global Sourcing and Cloud Computing

Bibliometric Analysis and Literature Review of IT/IS research

Review and Meta-Analysis of IT/IS research
Bibliometric Analysis and Bibliometric Mapping
Citation and Co-citation Analysis
Research Methods of IT/IS Research
Future Directions of IT/IS Research

Electronic Commerce

Electronic Commerce
Electronic Business
Customer Relationship Management
Enterprise Resource Management
Supply Chain Management
Internet Retailing
